

WE THE PEOPLE

Dear Community Leader:

We The People is pleased to invite you to sponsor our inaugural nonpartisan Liberty rally. It will be held at Old Mill Park in Fredericksburg, Virginia, on October 17, 2020, from 11:00 a.m. to 4:30. pm. The signature event location was chosen to honor the place where Thomas Jefferson wrote the Virginia Statute for Religious Freedom, one of the most important fundamental documents in our republic.

We anticipate a large turnout due to the grassroots swell of patriots throughout the republic who want to lock arms in unity to exercise the power that we hold.

Our goal for this rally is to educate and encourage the body of the People to stand on the foundational principles that this republic was built upon. It will be a peaceful day of camaraderie, networking, learning, securing the rights for our posterity and building alliances that will leave no room for tyranny to stand.

We would be honored to have you represented as a sponsor. We have various sponsorship opportunities available, and will be accepting donations of all amounts and gifts of all kinds with grace and gratitude.

Given your commitment to preserving liberty, we think this would be a great event for you to share your priorities and to learn firsthand how We The People works to promote the rights to life, liberty and the pursuit of happiness for all people in our state and throughout America.

The rally will be an excellent occasion to reach families, law enforcement, elected representatives, educators, and community partners who collaborate with We The People in striving to ensure that all people in the republic, birth to death, have the opportunity to reach their full potential.

As part of the agenda for this year we are focusing on: the power of government being derived from the People, the proper role of a servant government, the unlawfulness of mandates, the role of the Sheriff, and coming together as one body to exercise our unalienable rights.

We welcome your contributions to the event, and ask you to note that because We The People is a not for profit entity, we operate entirely as a nonpartisan entity and will be hosting all those who believe in preserving unity, liberty and in restoring the republic.

Please contact me for more information and to discuss your interest further. We look forward to your attendance at our Liberty Rally and to your engagement in our exciting work on behalf of children, families, and elected representatives in our community.

Sincerely,

We The People Committee
